ORGANIZATIONAL ANNOUNCEMENT

We are pleased to welcome Geronimo Gando to our development team in Apollo, PA in a new position as computer programmer.

Geronimo is born in Guayaquil, Ecuador and got his Master in Telecommunications at the University of Pittsburgh in May 2010. Before coming to the US he got his Bachelor in Computer Engineer at Santiago de Guayaquil Catholic University in Ecuador. Geronimo has been working as computer programmer and IT Consultant in his home country and for the last year he has been a web page developer at Socius Partners in Pittsburgh.

When joining our team, Geronimo will be working on the new generation Flagship applications and assist all of us in serving our customers on a day-to-day basis. He will also become an important team member with our web hosting team and assist in customer service.

We like to welcome Geronimo onboard Flagship.
